

**The 1st & 3rd Saturdays of every month (except May 1)
Lynn Gaffin will hold
An Introduction to EFT mini Workshop.**

1:00 – 3:00

\$10

Sample of blood before & after EFT

We will briefly discuss EFT, & work on general problems - nothing deep - as a group. It is a great way for new people to learn about it and to see how others have been helped.

For those already familiar with EFT it is a good way to ask questions and check themselves.

There will be no signing up ahead of time, just come when you can. Bring a friend, tell a friend, and if nothing else you will leave relaxed and just maybe learn something about yourself.

A portion of the proceeds to benefit The New London Spiritualist Church.
